Kawasaki Refinery Participates in Instruction Sessions at Nearby Junior High School

The Kawasaki refinery (Kawasaki City, Kanagawa; manager: Fumito Fujii) of TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo; representative: Jun Mutoh; “the Company” herein) participated in the 2016 First On-site Instruction Sessions by Corporate Citizens of Kawasaki Ward program, held at Watarida Junior High School in Kawasaki Ward by the Kawasaki Ward Corporate Citizenship Exchange Project Promotion Committee on July 14.

Participants in the program include 16 businesses and organizations in Kawasaki Ward, members of which served as instructors during the sessions, held at the school, for groups of seven or eight second-year students. The sessions are part of efforts to create a medium for exchange among local businesses, citizens and governments.

Representatives from the Company who served as instructors made a presentation entitled “What We Can Do Now to Ensure a Bright Future”, demonstrating professionalism as instructors while illustrating the presentation with personal anecdotes.

At the end, the instructors fielded many questions and gave the students tips for following their life paths, making it a very meaningful session.

After the conclusion of the instruction sessions, all the second-year students gathered for a reporting session. The students who took part in the session taught by instructors from the Company stated key phrases such as “staying healthy”, “gaining many experiences and cooperating with many people”, and “approaching work with a feeling of gratitude”, and also expressed their appreciation for the session.

The Company will continue to seek opportunities to make further contributions to local communities.
