## Sakai Refinery Participates in Volunteer Cleanup

The Sakai refinery (Sakai City, Osaka; refinery manager: Kazuto Uchino) of TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo; representative: Jun Mutoh) participated in a volunteer cleanup implemented by nine companies in the Sakai-Senboku petroleum complex on December 8 in order to beautify the local surroundings.

Fifty-five refinery employees used their lunch hour to take part in the cleanup, the last of this year, collecting enough litter and fallen leaves from the sidewalks and shrubbery near the refinery to fill over 30 trash bags.

The volunteer cleanup was implemented six times in 2016, with a total of 320 participants from the Sakai refinery.

The TonenGeneral Group will continue to advance its social contribution initiatives through a variety of activities.
