

TonenGeneral Group Featured on NHK's "Undercover Boss"

The TonenGeneral Group will be featured on the February 18 episode of the NHK TV program "Fukumen Resaachi Bosu Sennyu" (NHK BS Premium, 9:00-10:00 p.m.), the Japanese version of the popular program "Undercover Boss", local versions of which are produced in 28 countries.

In this program, company presidents and other executives work undercover at business sites of their own companies to investigate how their firms really work and identify hard-working employees. We hope the February 18 episode will give you a deeper understanding of the workings of the oil industry and our business sites.
