Sakai Refinery Participates in Volunteer Cleanup

Sixty employees from the Sakai refinery (Sakai City, Osaka; refinery manager: Kazuto Uchino) of TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo; representative: Jun Mutoh) participated in the first volunteer cleanup activity of the year on February 2. Nine companies in the Sakai-Senboku coastal industrial area participate in this initiative as a way of contributing to the local community that supports them. The effort is appreciated by members of the local community and local governments.

As a brisk winter wind blew, volunteers collected cigarette butts, empty cans, waste paper, fallen leaves and other refuse from sidewalks and shrubbery around the refinery. As in previous years, the cleanup will be held six times this year.

The TonenGeneral Group will continue to advance its social contribution initiatives through a variety of activities.
