

## TonenGeneral Sekiyu K.K. Recognized for Excellence in Health and Productivity Management

TonenGeneral Sekiyu K.K. ("TonenGeneral" herein) announces its selection, along with the former EMG Marketing Godo Kaisha and Tonen Chemical Corporation, by the Ministry of Economy, Trade and Industry (METI) and the Nippon KENKO KAIGI, which comprises leaders in the business community, healthcare organizations, and local governments, as an "Excellent Company Enhancing Corporate Value through Health and Productivity Management (KENKO KEIEI)," in cooperation with its health insurance society under the category of large-scale corporation, on February 21.

"Certification of Excellent Companies Enhancing Corporate Value through Health and Productivity Management" is a certification system begun this year to expand the number of corporations practicing KENKO KEIEI.

We will continue our efforts to maintain the health of our employees in all of our business operations.
