TonenGeneral Group Holds Blood Drives at Shinagawa Head Office and Sakai Refinery

The TonenGeneral Group (“the Group” herein) held blood drives at its Shinagawa head office (Minato-ku, Tokyo) and Sakai refinery (Sakai-shi, Osaka), implemented by the Japanese Red Cross Tokyo Metropolitan Blood Center and the Japanese Red Cross Osaka Blood Center, respectively, on April 18, 2014.

The Group has held blood drives at its business sites for many years. Participants in the April 18 drives numbered 53 at the head office and 41 at the Sakai refinery.

The TonenGeneral Group believes that a company is one of the citizens that make up society, and we strive to be a good corporate citizen in all of the communities where we operate. Cooperation in blood donation efforts is one of the Group’s many social contribution activities.

Employees donate blood at the Shinagawa head office (left) and Sakai refinery (right).

About the TonenGeneral Group

The TonenGeneral Group comprises TonenGeneral Sekiyu K.K. and its related companies and subsidiaries. Elements of the Group began operations in Japan in 1893. With an emphasis on safety and the environment, the Group’s operations are involved in all aspects of the supply chain, from crude purchase, transshipping, refining and production to distribution and sales. We will continue to provide a stable supply of energy as we strive to be an energy company that moves Japan into the future. TonenGeneral Sekiyu is listed on the first section of the Tokyo Stock Exchange. For more information, see our website at www.tonengeneral.co.jp .
