TonenGeneral Group Participates in 28th YMCA International Charity Run

The TonenGeneral Group (“the Group” herein) participated as a sponsor in the 28th Tokyo YMCA International Charity Run, held on September 23, 2014 at Kiba Park in Koto-ku, Tokyo.

The Tokyo YMCA International Charity Run is a YMCA program that supports the societal integration of children with disabilities. The Group has provided sponsorship for this event every year since 1999.

In the Charity Run, teams of six runners each, including at least one female runner, compete in a relay race on a 1.3 km course in Kiba Park. Eighty-five teams representing companies and organizations from various sectors competed in this year’s event. The Group entered 16 teams, with the addition of family members and colleagues who came to cheer the runners on bringing the total number of Group participants to about 130.

The TonenGeneral Group believes that a company is one of the citizens that make up society, and we strive to be a good corporate citizen in all of the communities where we operate. In accordance with this principle, we provide sponsorship for the Tokyo YMCA International Charity Run as one of our social contribution activities.
