### **TonenGeneral Group Participates in 18<sup>th</sup> Yokohama YMCA Charity Run**

The TonenGeneral Group (“the Group” herein) participated as a sponsor in the 18th Yokohama YMCA International Charity Run, held on October 17, 2015 at Rinko Park, located in Yokohama Minato Mirai 21, Nishi-ku, Yokohama.

The YMCA International Charity Run is a YMCA program that supports the societal integration of children with disabilities. The Group has provided sponsorship for this event every year since 1999.

In the Charity Run, teams of five runners each, which included at least one female runner, competed in a relay race on a 1.1 km course in Rinko Park. One hundred twenty-three teams representing companies and organizations from various sectors competed in this year’s event. The Group entered 14 teams, with the addition of six volunteers from the Group, along with family members and colleagues who came to cheer the runners on bringing the total number of Group participants to around 100.

The TonenGeneral Group believes that a company is one of the citizens that make up society, and we strive to be a good corporate citizen in all of the communities where we operate. In accordance with this principle, we provide sponsorship for the YMCA International Charity Run as one of our social contribution activities.
